

# FROM IDEAS TO ACTION:

## Getting there with the Neighborhood Matching Fund

### Project Showcase

Meet representatives from successful neighborhood projects, visit exhibits, and learn about projects like:

- Playgrounds in parks and school yards
- Public art
- Restoring wetlands and other natural areas
- Planning and design projects
- Traffic calming and street landscaping
- Facility and grounds improvements
- Business improvement districts
- Building neighborhood identity
- Community gardens

### Mini-Workshops

Attend workshops to learn more about:

- Power to the Pruners: Tree Pruning 101
- People Powered Projects: Getting neighbors involved
- Digging for Dollars: Grassroots fundraising that works
- Taming the Traffic Monster: Traffic circles and other traffic calming projects
- Winning Applications: Tips for writing successful grant proposals

**Saturday, December 1**  
**9 a.m.–12 noon**

**Seattle Central Community College**  
**1701 Broadway, Third Floor**  
**(enter at the SE corner)**
